<p>“We are pleased to announce renovations to our washroom facilities at 2 Gower St. During the month of March 2019, we will rebuild the upstairs washrooms, and install a new accessible washroom. For safety reasons, access to the hall and kitchen will not be permitted and all upstairs activities will be postponed until the renovations are complete. We anticipate reopening the upstairs of Harmony Hall in April. We will continue to provide service and hold activities in the basement rooms during this time. ” David Livingston-Lowe</p>
