HEALTH AND WELL-BEING

Gentle Fitness

This exercise programs are developed to encourage seniors to become more active, participate in a social network, reduce the risk of injuries and falls, as well as enhance self-esteem and independence. All classes include a light exercise and are designed to increase balance, strength and flexibility.

Yoga

Specially designed yoga classes for seniors include stretching, breathing, meditation, gentle yoga poses and relaxation to balance flexibility and spirit. With regular yoga practises, seniors develop better mobility and range of motion in their joints and spine.

Wellness Session

Sessions are designed to keep seniors active and stress-free during the pandemic time. Also encouraged seniors to be connected virtually to reduce isolation.

Dance Class

Dance class can be emotionally and socially beneficial for seniors by helping to bring people out of isolation and enjoying a socially engaging activity, frequent dancing provides a 76% reduced risk of dementia.

Meditation

Meditation is a practice where an individual uses a relaxation technique, such as focusing mind on a particular object, thought or activity, to achieve a mentally clear and emotionally calm state. Meditation is an easy and accessible activity that anyone may undertake to improve their physical and mental well-being.

An art embracing the mind, body and spirit – Originating in ancient China, tai chi is one of the most effective exercises for health of mind and body. A gentle peaceful way to tone and strengthen body as well as improves concentration, coordination and balance.

Sing Along

A spontaneous group singing promotes seniors overall positive health. Also, those listen music frequently have a better sleep at night and reduced pain.
